Terms and conditions of use

➤ Activity Information:

F2D Medical has created this website to present its activities. The information is provided for general information purposes only and is not guaranteed to be suitable for any specific use. F2D Medical may modify or update the information at any time and without notice.

➤ Intellectual Property:

The website www.f2d-medical.io and its components (drawings, photos, texts, animated and non-animated images, databases, sounds, photos, know-how, etc.) are the full and complete property of F2D Medical. The partial or complete reproduction of this site is forbidden without the agreement of F2D Medical.

Any use of brand names and logos from this site is prohibited without the authorization of F2D Medical. The specifications indicated in this site are provided as an indication and do not engage the contractual responsibility of F2D Medical.

➤ User Engagement:

Each user of the website who provides information grants F2D Medical full transferable rights to that information and authorizes F2D Medical to use it. The information thus provided by users will be considered non-confidential. However, where the information provided is personal data within the meaning of the applicable law, it will be treated in accordance with the privacy and cookie policy applicable to this website.

Each user of the website declares to comply with the present general conditions of use and the laws in force, in particular:

- have the necessary skills and means to access and use the website;
- have verified that the computer configuration used does not contain any virus and that it is in perfect working order;
- give F2D Medical and its partners the right to make any use of the information provided (other than personal data).

➤ Hyperlinks :

Activation of links. F2D Medical formally declines all responsibility for the contents of the sites to which it offers links. These links are offered to the users of this website. Please consult the general terms and conditions, the charter on the protection of personal data and the use of cookies of this site to understand their practices. The decision to activate the links rests solely with the users of the website. F2D Medical may change or remove a link on our website at any time.

Authorization of links. If you wish to create a hyperlink to this website, you must obtain prior written permission from F2D Medical using the contact information provided at the end of this document.

➤ Warnings :

The information and recommendations available on this website are offered in good faith. It is assumed to be correct at the time it is published on the website. However, F2D Medical does not guarantee the completeness and accuracy of this information. You assume the entire risk of relying on this information. This Information is provided to you on the condition that you or any other person receiving it will determine its suitability for a particular purpose before using it. In no event will F2D Medical be liable for any damages that may result from the reliance on or use of this Information. F2D Medical disclaims any liability, express or implied, if the use of this information infringes any patent, copyright or trademark.

Under no circumstances does F2D Medical undertake to update or correct the information that will be published on the Internet or on their web servers. F2D Medical reserves the right to modify or correct the content of its websites at any time without notice.

F2D Medical does not guarantee, without this list being exhaustive, that the website functions without interruption and that the servers that provide access to it or the third-party sites for which hyperlinks appear are free of viruses.

➤ **Update of the terms of use of the website and applicable law:**

F2D Medical may update these terms of use at any time. Consequently, you are invited to regularly refer to the latest conditions of use in force. These terms of use are subject to the applicable law and are under the jurisdiction of the competent courts.

➤ **Fraudulent Behavior:**

Any user who acts in fraud of the present General Conditions of Use exposes himself to civil or penal proceedings which repress in particular the infringements of the copyright, the neighbouring rights, the rights of the producers of data bases as well as the systems of automated data processing. The User is reminded that the Penal Code (Article 323-1 et seq.) imposes penalties of up to five years' imprisonment and a fine of 75,000 euros.

Criminal proceedings may be initiated by the publisher against the user who does not respect these provisions.

Personal data processing policy

F2D Medical complies with the French law < Informatique et Libertés " n°78 of January 6, 1978 modified, the Regulation 2016/679 of April 27, 2016, as well as the deliberation n° 2020-092 of September 17, 2020 concerning the " cookies and other tracers ". As a data controller within the meaning of the "Informatique et Libertés" law, F2D Medical is responsible for the personal data it collects. The Data Protection Officer (DPO) is Benjamin Ménard
Email : dpo@f2d-medical.fr

➤ **Data collected through the contact form:**

F2D Medical ensures that it collects and processes only personal data that is relevant, adequate and strictly necessary for the purposes previously determined. F2D Medical undertakes to obtain the consent of the persons concerned, whenever this is required, and to inform them of the processing of their personal data and of their rights. The information collected on the contact form is recorded in a computerized file via the contact email. The information entered will only be used for the purpose of the contact request and will never be communicated to third parties. The data collected is communicated to the sales department which will be required to respond to these requests.

The data is kept for a period of 12 months.

You can access your data, rectify it, request its deletion or exercise your right to limit the processing of your data.

Consult the cnil.fr website for more information on your rights.

To exercise these rights or for any question about the processing of your data in this system, you can send an email to: dpo@f2d-medical.fr

If you believe, after having contacted us, that your rights "Informatique et Libertés" are not respected, you can address a complaint to the CNIL.

➤ **Protection of your personal data:**

The personal information you authorize us to use is stored on secure computer servers. F2D Medical cannot be held responsible for any direct or indirect damage caused by the illegal use of your personal data by third parties. It is therefore important that you comply with security regulations, protecting access to your login address, as you are solely responsible for visits to our website made from your IP address.

Our website contains links, hyperlinks or references to other websites that are not controlled or maintained by us and to which this privacy policy does not apply. We are not responsible for the content of such websites or for the offers, products and services they provide. Therefore, we recommend that you carefully read the privacy policy and terms of use of each site you visit. If you have any questions about the security of your personal information, please contact us at: specific contact email.

Cookie Usage Policy

The purpose of this article is to describe the use of cookies by F2D Medical when you access our site. A cookie is an element that is used to record information about your navigation on our site. It thus facilitates your navigation during your next visits to this site.

➤ **Our cookies :**

A cookie is a simple number that is assigned to you on your first visit. It is not nominative. This site uses Google Analytics for statistical analysis. Google Analytics uses cookies, placed in your browser in order to analyze your use of our site and to allow us to improve its contents. These statistics allow :

- to establish traffic statistics, understand visitors' expectations and improve our content proposal,
- to remember the browser's display preferences and to adapt the presentation of our site during your visits,
- to store information entered in our contact form.

Each time you visit our site, a cookie may be automatically installed on your browser. This cookie is only used to provide the online communication service or to facilitate the transmission of the communication by electronic means. The cookies are not nominative and this information remains anonymous.

➤ **Your choices of use if any:**

When your consent is required, it is obtained on the site by checking the appropriate box. You have the possibility of going back on your choice at any time.

You can also disable the use of cookies at any time and free of charge by selecting the appropriate settings in your browser.

As the steps to follow are different for each browser, you can find instructions in the "Help" menu of your browser as well as in the "Your traces" section of the www.cnil.fr website (Commission Nationale de l'Informatique & des Libertés).

However, we inform you that such deactivation may prevent the use of certain features of this site.

➤ **Photo credits:**

The photos present on this site come from different sources: image banks such as Freepik, Adobe and others which are the property of F2D MEDICAL.
